Date: 26-08-2025

Kind Attention:

Recyclers and Producers as under Hazardous and Other Wastes (Management and Transboundary Movement) Amendment Rules, 2022.

Ministry of Environment Forest & Climate Change vide its notification No. G.S.R 593 (E) dated July 21, 2022 notified the Hazardous and Other Waste (Management & Transboundary Movement) Amendment Rules, 2022 for the effective management of Waste Tyre through EPR regime. As per the Paragraph 9(1) of the Schedule-IX of the above said Rules, "The Central Pollution Control Board shall develop the portal to establish an online system for the registration and filing of quarterly returns, generation and adjustment of extended producer responsibility certificate and submission of monthly information by recyclers". In compliance of the above, CPCB has developed a Waste Tyre EPR portal for registration of recyclers. 552 recyclers have registered on Waste Tyre EPR Portal. Also, as per the Paragraph 8(1) of the Schedule-IX of the above said Rules, "All the recycler shall submit on monthly basis the information regarding quantity of Waste Tyres used and end product produced. extended producer responsibility certificate sold and such other relevant information on the portal.

Therefore, in this regard,

- For generation of EPR Certificate on the EPR Portal, recyclers are required to maintain records of sales of recycled material (end product) and purchase of Waste Tyre through invoices linked to GST respectively.
- The recyclers are henceforth required to have E-Invoices through GST Portal for sales of recycled material (end product) along with the price specified in the invoices and purchase of Waste Tyre.

This issues with the approval of the Competent Authority.
